

## Do Not Call Policy Statement

Bank of Hawaii (herein referred to as BOH) complies with all laws and regulations and is committed to protecting and respecting a consumer's right to privacy. In support of this commitment and pursuant to the regulations set forth by the Federal Communications Commission ("FCC"), the Bank's Senior Management has adopted the following Policy.

BOH maintains a record of the name and contact telephone number for consumers who do not wish to be called. If you do not want to receive sales calls from BOH, you can ask us to place your name and telephone number on our "Do Not Call" list. In compliance with federal laws, we will document your request immediately. Please allow up to 30 days for your name and telephone number to be removed from any telephone-based sales and marketing initiatives that are currently underway.

- **Your request can be in writing or by phone and must include at a minimum, your telephone number and name. If you have multiple phone numbers, tell us all the numbers that you want to be included on the "Do Not Call" list.**

Requests in writing should be mailed to:

Bank of Hawaii  
P.O. Box 2900  
Honolulu, HI 96846

Requests by phone should be placed to:

1-888-643-3888

- Our "Do Not Call" records are maintained for at least five (5) years from the time the customer request is received.
- When we solicit prospective customers, we restrict our solicitation to customers within the state of Hawaii, or Guam, Saipan, and American Samoa. We also honor "Do Not Call" requests on behalf of consumers listed on the National Do Not Call Registry maintained by the Federal Trade Commission for the Hawaii, Guam, Saipan, and American Samoa area codes. Regulations permit companies to contact their own customers even though they are on the National Do Not Call Registry.
- If you are a customer and you do not want to be contacted by BOH, simply follow the steps above to be placed on the BOH "Do Not Call" list and your request will be honored.
- Being on the BOH "Do Not Call" list means that you won't receive any sales calls from Bank of Hawaii or any of our representatives. We may still contact you for non-solicitation purposes. This would include things like surveys, billing, and other service related matters.
- Any personnel involved with telemarketing and/or telephone solicitation for BOH are trained, informed, and directed to comply with the Bank's "Do Not Call" policy.
- Consumers must inform BOH of any changes in name or phone number if they move or wish to place a new telephone number on the Bank's "Do Not Call" list.
- This policy does not cover independent third parties, who may, on their own, initiate or conduct telemarketing and/or telephone solicitation to solicit consumers for the Bank's products or services.
- The BOH "Do Not Call" policy will be provided upon request. A customer may request the policy at any branch. The policy is also available online at the following web address:
