

CASH MANAGEMENT SOLUTIONS

Bankoh Business Connections

A simple and secure online banking solution

The new Bankoh® Business Connections combines a modern interface with a broad range of capabilities to provide you with easy and secure access to your online banking. Businesses are able to access the information they need to make timely cash management decisions and help maximize cash flow. The fully integrated single platform is easier and more convenient to use with a new user-friendly interface and increased functionalities.

EASIER ACCESS AND NAVIGATION

- Responsive design enables access from virtually any platform and device
- Range of options to customize your banking experience
- Widgets allow you to quickly access data and process transactions

RICH FUNCTIONALITY

- Self-service capabilities allow you to manage users, maintain your contacts, setup alerts, customize account names, and reset your password
- Streamlined payment processing, including the upload of processing files for ACH, Wires, Account Transfers and Loan Payments
- Place stop payment requests and cancel stop payment requests that you have placed
- View Paid Checks, Electronic Statements, Exception Items and Deposit Tickets

IMPROVED REPORTING

- Improved reporting capabilities
- Customizable views for reporting and transaction monitoring
- Full reconciliation integration with QuickBooks®¹ via DirectConnect (*Coming Soon!*)
- Formatted reports for ACH Originators and Receivers including Electronic Data Interchange (EDI) and Notifications of Change (NOC)
