Mobile deposits are completed by capturing images of the Checks and then transmitting those images and other data to us electronically subject to the limitations contained in this Mobile Agreement. The Checks will then be processed electronically. Although the images and data are transmitted to us electronically for processing, deposits made through the Mobile Deposit Service are not electronic fund transfers. You agree to only deposit Checks payable solely to you as permitted by this Agreement. We may elect, at our discretion, to verify the authenticity or content of any transmission by placing a call to any owner or authorized signer on the Mobile Deposit Eligible Account but are not required to. We may deny access to

the Mobile Deposit Service without prior notice if we are unable to confirm to our satisfaction any person's authority to access the Mobile Deposit Service or if we believe such action is necessary for security reasons. - Registered government warrants;
- Travelers Checks, Money Orders or Postal Orders;
- Checks suspected to be fraudulent or not properly authorized; or

Our processing of any of the Checks described above shall not obligate us to continue that practice, and we may stop doing so without cause or prior notice. We reserve the right to modify the types of checks acceptable for this Service at any time without prior notice.

We may refuse any Check for deposit, with or without cause, or may elect to take a Check on a collection basis only. If we accept a Check for collection, we will send it to the institution upon which it is drawn, but will not credit your account for the amount until we receive the funds from the other institution. If we elect to credit your account before then, we may charge the amount back against your account if we do not receive payment for any reason. We may also change the amount of your deposit to the legal amount of the Check. Please see your account agreement for other terms related to deposits.

c. YOUR REPRESENTATIONS. You represent and warrant the following with respect to each Check that you transmit through the Mobile Deposit Service:

(i) You have the legal right to deposit and negotiate the Check, regardless of the name of the payee shown on the Check.

(ii) You are the holder of the Check and the person entitled to enforce it.

(iii) The images and information that you transmit accurately represent all of the information on the front and back of the original Check, including (without limitation) all endorsements, at the time of transmission.

(iv) You have not taken any action that would obscure, alter or impair the capture or transmission of information on the front or back of the Check or that otherwise may prevent us or another bank from capturing or processing such information.

(v) You make all warranties that would otherwise apply to the Check if it had been a paper item deposited with us. For example, you warrant that the Check has not been altered and you have a right to enforce the Check.

(vi) You make all encoding, transfer, presentment and other warranties that we or any correspondent bank we use are deemed by law to provide to others (e.g., as a reconverting bank) under any law, regulation, operating circular, clearing house rule, or image exchange network rule or agreement to which we are a party.

(vii) No Check will be presented for deposit or payment more than once.

(viii) The Check is not prohibited (see by Sub Paragraph titled "CERTAIN CHECKS NOT PERMITTED" above).

(ix) You will only use the Mobile Deposit Service for lawful purposes and in compliance with applicable law.

(x) You will not submit files containing malicious code.

d. HOURS OF OPERATION. The Mobile Deposit Service can be utilized 24 hours a day, seven days a week, except when our system is unavailable due to needed maintenance or system outages. Deposits received by us on or after our Mobile Deposit Service cutoff hour or on a Saturday, Sunday or U.S. federal holiday, will be deemed received by us as of the next business day.

Here are the current Mobile Deposit Service cutoff hours (We may change the cutoff hours from time to time):

Hawaii - 5:00 p.m. Hawaii Standard Time (HST)

Guam and Saipan – 1:00 p.m. Chamorro Time (ChST)

Palau – 12:00 p.m. Palau Time (PWT)

We are not responsible for the unavailability of the Mobile Deposit Service or any damages that may result from its unavailability. If the Mobile Deposit Service is not available for any reason or a check cannot be processed by means of the Mobile Deposit Service, you may deposit the check at any one of our branches.

e. CONFIRMATIONS. At the end of a successful transmission, we will provide you with an electronic "Deposit Received Notification email" at the email address you provided during your Mobile Deposit Service session, to confirm our receipt of your deposit information. Please note that you are providing the email address solely for the purpose of receiving confirmations and any email address you provide us during a Mobile Deposit Service session will not change or update any email address you have previously provided. If you do not receive a Deposit Received Notification email, it may mean that we did not receive your transmission or that there was a problem with some of the information. Although you receive a Deposit Received Notification email, please note that all deposits are subject to verification and may be adjusted upon review. If your transmission was submitted by the Mobile Deposit Service cutoff hour on a business day, you will receive notification that your deposit was approved or declined by 10:00 p.m. Central Time that day. You agree to verify that your deposits have been correctly posted to your account each day and to notify us immediately of any discrepancy. You should electronically store or print a copy of the confirmation for your records. If Check information received by us is not complete and otherwise

unusable for any reason, we may reject the deposit, notwithstanding any confirmation by us of its receipt, and charge the amount back against any credit that was made to your account.

f. AVAILABILITY. If we confirm our receipt of your deposit on a business day before the cutoff hour described above, we will consider that day to be the day of your deposit; otherwise, your Check will be considered deposited as of the next business day. The total amount of your deposit will generally be available for use at end of day Posting, on the Business Day of your deposit, for debits Posting that Business Day. If the maker of a Check or another third party makes a claim against us or seeks a re-credit with respect to any Check processed through this Mobile Deposit Service, we may provisionally freeze or hold aside a like amount in your account pending our investigation and resolution of the claim. We also may charge your account for any Check that is returned, whether or not the return is timely or proper. If a Check is returned to us for any reason, we may return it to you in the form of a substitute check. If you decide to redeposit the returned item, you may only redeposit the substitute check; you may not deposit the original Check.

g. LIMITS. The current standard Mobile Deposit Service limits and limits applicable to clients who have an established The Private Bank Relationship with Bank of Hawaii are published on our website at <https://www.boh.com/online-mobile/mobile-deposits#limits>. We reserve the right to change Mobile Deposit Service limits without notification to you.

Please note that for customers with an established The Private Bank relationship, the increase to The Private Bank limit may take up to 5 business days following the first successful Mobile Deposit to take effect. At any time should the Private Bank relationship be terminated, the standard limits in effect at the time of termination will be restored. For items deposited in the same business day, the limits will be applied based upon the order in which an item is approved. If you make multiple deposits on a business day before the Mobile Deposit Service cut off hour, those deposits may not be processed in the same order in which you deposited them and you may not necessarily receive approval or declination in the same order. We may process those items in any order we choose and we will notify you which deposits were approved or declined by 10:00 p.m. Central Time that business day.

Except as otherwise stated in this Mobile Agreement, we will be liable to you only for damages arising directly from our intentional misconduct or gross negligence in the performance of the Mobile Deposit Service.  - any information that is lost, intercepted or destroyed during its transmission to us; or
 - limitations placed on transactions by Federal Reserve, clearing house or exchange network rules or guidelines.
-

We will not be responsible under any circumstances or under any legal theory for special, indirect, or consequential damages, including (without limitation) any loss of profits, opportunity or good will, which you incur as a result of our actions or omissions, even if we are aware of the possibility for such damages.

Any claim, action or proceeding by you to enforce any term hereunder or to recover for any Mobile Deposit Service-related loss must be commenced within one year from the date that the event giving rise to the claim, action or proceeding first occurs. You agree to cooperate with us in any loss recovery efforts we undertake to reduce any loss or liability that arises in connection with the Mobile Deposit Service. You acknowledge that any fees or charges for Mobile Deposit Service have been established in contemplation of: these limitations on our liability; your agreement to review statements, confirmations, and notices promptly and to notify us immediately of any discrepancies or problems; and your agreement to assist us in any loss recovery effort.

i. INDEMNIFICATION. You agree to indemnify, defend, and hold us, our vendors and the licensors of equipment harmless against any and all actions, proceedings, liabilities, losses, costs (including attorney fees), penalties, fines, and claims, including (without limitation) warranty claims, that result from or arise in connection with: (i) our processing of Checks in accordance with this agreement; (ii) your actions or omissions, including your breach of any representation or failure to comply with this agreement; (iii) any modifications or changes you make to the equipment without our written consent; (iv) any misuse of the equipment by you; (v) your failure to comply with applicable state and federal laws and regulations; (vi) actions by third parties, such as the introduction of a virus, that delay, alter or corrupt the transmission of Check images or information to us; or (vii) any claim by a recipient of a substitute check corresponding to a Check processed through the Mobile Deposit Service, that the recipient incurred a loss due to (1) the receipt of a substitute check instead of the original Check, or (2) multiple payments with respect to the same original Check, based on any combination of the original Check, the substitute check and/or any paper or electronic copy of either.

j. TERMINATION OR SUSPENSION OF MOBILE DEPOSIT SERVICE. You or we may terminate your use of the Mobile Deposit Service. In addition, we may revoke the eligibility of a Mobile Deposit Eligible Account at any time, with or without cause. We may suspend or terminate the Mobile Deposit Service without prior notice to you if: you breach any agreement with us; we believe there has been or may be a breach in the security of the Mobile Deposit Service or unauthorized activity involving your account; or we are uncertain regarding the authorization, completeness, or accuracy of Check information sent to us. Any termination will not affect obligations arising prior to termination, such as the obligation to process Checks transmitted to us prior to the termination date or your obligation to indemnify us.

3. THE MOBILE TEXTING SERVICE. The Mobile Texting Service is another way to check your account balance and transaction information. Once you have Registered a Device for the Mobile Texting Service, you may text "C" to 79680 for a list of queries or commands available. You are allowed **one text message per query**. Balances provided may not include recent or pending transactions that have not yet been posted to your accounts. For help text "HELP" to 79680. To cancel Mobile Texting Service, text "STOP" to 79680 at any time. Should you encounter difficulties terminating the Mobile Texting Service, please contact our Customer Service Center in Hawaii at 808-643-3888 or in the U.S. Mainland and Canada toll free at 1-888-643-3888. A list of supported carriers is listed at the end of this Section A.

4. THE DEBIT CARD CONTROLS SERVICE. The Debit Card Controls Service ("Card Controls" or "Card Controls Service") is available using the App unless you have requested this function to be disabled in your App by contacting us at the numbers listed in section A "How to Contact Us/Loss of your Device and/or Security Codes". The Card Controls Service gives you the ability to set location, transaction type, merchant type and threshold amount limits for your Debit Card(s), or totally disabling all Debit Card transactions. All eligible Debit Cards will be listed in the Card Controls feature, which you can locate on your App by accessing the "Add" button. From this list you can enable any or all of these Debit Cards for the Card Control Service. You can customize Card Controls

settings on each eligible card and they are effective immediately and can be modified/removed at any time. Your recurring transactions (such as utility bills or auto-payments) are not affected by turning the debit card off or adding threshold limits.

Bank of Hawaii is not responsible for how merchants authorize transactions or code their terminal's location or merchant type. The terminal coding is the sole responsibility of the merchant and may impact the ability for the Card Controls Service to recognize the merchant category or location of an in-store transaction. Certain merchants may seek an authorization hold at the time the transaction is initiated (e.g. gas stations, restaurants, hotels, etc.). The authorization hold may be higher or lower than the actual transaction paid because the final transaction amount is not known at the time the transaction is initiated. This may affect any threshold limits you apply in the Card Controls Service, as Bank of Hawaii cannot control the amount of a transaction once an authorization has been granted. Please see section 3.E of the Bank of Hawaii Consumer Electronic Banking Services Agreement (EFT-10).

The Card Controls Service also allows you to receive customized push alerts (in-App notifications) about Debit Card transaction activity. Standard data rates may apply. You agree that the Debit Card Controls Service is provided by Bank of Hawaii through its service providers. If our service providers experience any issues that cause the Card Controls Service not to perform as intended, any card control preferences and/or alerts you set up may not be in effect. During any service provider outage period, authorized transactions may be completed whether or not the transactions would have been restricted by your card controls settings.

i. Receiving Money; Money Transfers by Network Banks

Once a User initiates a transfer of money to your email address or mobile phone number enrolled with the Transfer Service, you have no ability to stop the transfer. By using the Transfer Service, you agree and authorize us to initiate credit entries to your Receiving Account. Most transfers of money to you from other Users will occur within minutes. There may be other circumstances when the payment may take longer. For example, in order to protect you, us, *Zelle* and the other Network Banks, we may need or *Zelle* may need additional time to verify your identity or the identity of the person sending the money. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we delay or block a payment that you have initiated through a request for money, we will notify you in accordance with your User preferences (i.e. email, push notification). If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Mobile Agreement and the procedures of the business or government agency that is sending you the payment.

j. Sending Money; Debits by Network Banks

You may send money to another User at your initiation or in response to that User’s request for money. You understand that use of this Transfer Service by you shall at all times be subject to (i) this Mobile Agreement, and (ii) your express authorization at the time of the transaction for us to initiate a debit entry to your Funding Account(s). You understand that when you send the payment, you will have no ability to stop it. If the person you sent money to has already enrolled with *Zelle*, either in the *Zelle* mobile app or with a Network Bank, the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked. Therefore, you agree to assume all responsibility for any error you make in entering the payee information, and that we will not be responsible for any error you make in sending money thru the Transfer Service. In most cases, when you are sending money to another User, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, *Zelle* and the other Network Banks, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with *Zelle*, either in the *Zelle* mobile app or with a Network Bank, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolling as a User may fail to enroll with *Zelle*, or otherwise ignore the payment notification, and the transfer may not occur. The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your User preferences (i.e. email, push notification). We have no control over the actions of other Users, other Network Banks or other financial institutions that could delay or prevent your money from being delivered to the intended User.

k. Liability

Neither we nor *Zelle* shall have liability to you for any transfers of money, including without limitation, (i) any failure, through no fault of us or *Zelle* to complete a transaction in the correct amount, or (ii) any related losses or damages. Neither we nor *Zelle* shall be liable for any typos or keystroke errors that you may make when using the

Transfer Service. THE SERVICE IS INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND OTHERS WHOM YOU TRUST. YOU SHOULD NOT USE ZELLE TO SEND MONEY TO PERSONS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. We reserve the right to change these limits without notification to you. The daily applicable limits will reset at 12:00 am Central time.

m. Requesting Money

You may request money from another User. You understand and acknowledge that Users to whom you send payment requests may reject or ignore your request. Neither we nor Zelle guarantee that you will receive money from other Users by sending a payment request, or that you will receive the amount that you request. Neither we nor Zelle accept responsibility if the other User rejects or ignores your request, or sends you an amount that is less than you request. If a User ignores your request, we may decide or Zelle may decide, in our sole discretion, that we will not send a reminder or repeat request to that User. By accepting this Mobile Agreement, you agree that you are not engaging in the business of debt collection by attempting to use the Transfer Service to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless us, Zelle, and our respective owners, directors, officers, agents and Network Banks from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any request for money that you send that is related to overdue or delinquent amounts. You agree to receive money requests from other Users, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the sender and recipient and are not reviewed or verified by us or by Zelle. Neither we nor Zelle assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the sender of a request for money. We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, offensive, or unwelcome by the recipient.

n. Transaction Errors

Telephone or write to us at the contact information in See section A "How to Contact Us/ Loss of your Device and/or Security Codes" as soon as you can, if you think your statement is wrong or if you need more information about a Transfer Transaction listed on the statement. We must hear from you no later than 60 calendar days after we sent the FIRST statement on which the problem or error appeared.

- (a) Tell us your name and your Account number;
- (b) Describe the error or the Transfer Transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
- (c) Tell us the date and dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 Business Days.

We will determine whether an error occurred within 10 Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 calendar days to investigate your complaint or question. If we decide to do this, we will provisionally credit your Designated Account within 10 Business Days for

the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 Business Days, we may not credit your Account.

For errors involving new Accounts, we may take up to 90 calendar days to investigate your complaint or question. For new Accounts, we may take up to 20 Business Days to credit your Account for the amount you think is in error.

We will tell you the results within 3 Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation. In addition, if we determine that no error or a different error occurred and we had provisionally credited your Designated Account, we will provide you notice that will include the date and the amount of the provisionally credited amount that will be debited. If applicable, we will honor Items (including any checks, drafts, or other similar instruments) and preauthorized transfers from your Designated Account up to the amount in dispute for a period of 5 Business Days after our notice of reversal is sent to you without imposing any overdraft charges.

o. Your Liability for Unauthorized Transfers

You must tell us AT ONCE if you believe any of your account credentials or your password(s) have been compromised, or if you believe that a Transfer Transaction has been made without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your Funding Account, plus the maximum amount of your Bankoh CoverCheck or overdraft protection plans. If you tell us within 2 Business Days after you learn of the loss or theft of your password, you can lose no more than \$50 if someone used your account and/or password to initiate a Transfer Transaction without your permission.

If you do NOT tell us within 2 Business Days after you learn of the loss or theft of your password, and we can prove we could have stopped someone from using your password without your permission if you had told us, you could lose as much as \$500.

Also, if your Account statement shows a Transfer Transaction that you did not make, you must tell us at once. If you do not tell us within 60 days after the statement was mailed or delivered to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods.

If you believe your account and/or password has been compromised, or if you believe an electronic fund transfer has been made without your permission using information from your account (account and routing number information), you must tell us immediately by telephone or in writing.

See section A "How to Contact Us/Loss of your Device and/or Security Codes".

p. Liability for Failure to Complete Transfers

If we do not complete a Transfer Transaction to your Deposit Account or from your Funding Account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (a) If, through no fault of ours, you do not have enough money in your Funding Account to make the Transfer Transaction;
 - (b) If, through no fault of ours, we have not actually received enough money to cover a request for money you sent to another User;
 - (c) If the funds in your Registered Account, Receiving Account, or Funding Account are subject to legal process or other encumbrances restricting the Transfer Transaction;
 - (d) If our processing system was not working properly and you knew about the problem when you started the Transfer Transaction;
-

- (e) If circumstances beyond our control (such as fire or flood) prevent the Transfer Transaction, despite reasonable precautions that we have taken;
- (f) If this Mobile Agreement is terminated and/or if you or we terminate your use of the Transfer Service;
- (g) If the authorization for your use of the Transfer Service is revoked by law or court order (in case of death or incompetence, for example);
- (h) If the services on your mobile device used to access the Transfer Service are not working properly and you knew about the malfunction when you started the Transfer Transaction;
- (k) If you have not provided us with the correct transfer information; or
- (l) If other exceptions are provided in other agreements we have with you or by applicable law.

We will rely on the identifying numbers you provide us in processing your Transfers Transactions. We will not be responsible for any conflict between these numbers and the identity of the parties or accounts involved.
