

Frederic Duclos Barstow Foundation for American Samoans
(Bank of Hawai'i, Trustee)

Grant Application Information for Tuition Aid

Grantmaking Policy

The Deed of Trust states that the purpose of the foundation is education in American Samoa and benefiting the youth of American Samoa. Among which, without limiting this generality, may be: assistance to schools, government and/or private; education of Samoan youths abroad; education of residents in hygiene; and assistance in creating and maintaining a Cultural Education Center, including a museum or library. Education of Samoan youth was adopted by the first Permanent Committee as their main field in which to serve the Samoan people. The benefits of the Foundation may be extended for projects in cases which the Permanent Committee deems it appropriate.

Organizations must be exempt from federal taxes under Section 501(c)(3) of the Internal Revenue Code and be classified as a public charity. The Foundation does not give grants or scholarships to individuals, nor does it provide grants for deficit funding or endowments.

The Permanent Committee will accept only one request a year from an organization. A new request will not be accepted if a prior pledge or report is still outstanding.

Tuition Aid Programs

The Permanent Committee awards grants for scholarship/tuition aid to 4-year accredited colleges and universities, preferably in the State of Hawaii, for the benefit of second year students from American Samoa who have financial need and are full-time students enrolled in an eligible field. The Foundation does not give scholarships to individuals; and does not provide grants for endowments.
