

Bank of Hawaii iCapture Conversion:

# **SCHEDULING SUPPORT FOR SCANNER INSTALLATION AND FIRST DEPOSIT**

## Schedule Installation Instructions for iCapture Merchants

The following guide provides instructions for Bank of Hawaii iCapture merchants to schedule phone support assistance installing a check scanner to work with the Enterprise Payment Solutions for Jack Henry™ for the first time. Once you have completed the installation process, you will be able to scan and deposit checks through Bank of Hawaii's new iCapture Remote Deposit application that leverages Jack Henry's SmartPay Business Remote Deposit Now.

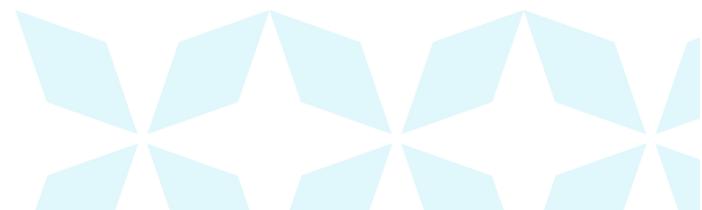

- **PLEASE NOTE: This installation support with Jack Henry is NOT REQUIRED if you are able to follow the installation and deposit instructions previously provided to you.**

Scheduled installations are completed over the phone, whereby a Jack Henry support representative will call you to complete installation of your scanner and making your first deposit.

- **Administrative privileges are required on the computer for which you wish to install the scanner on. If necessary, please coordinate with your IT group prior to scheduling the installation**

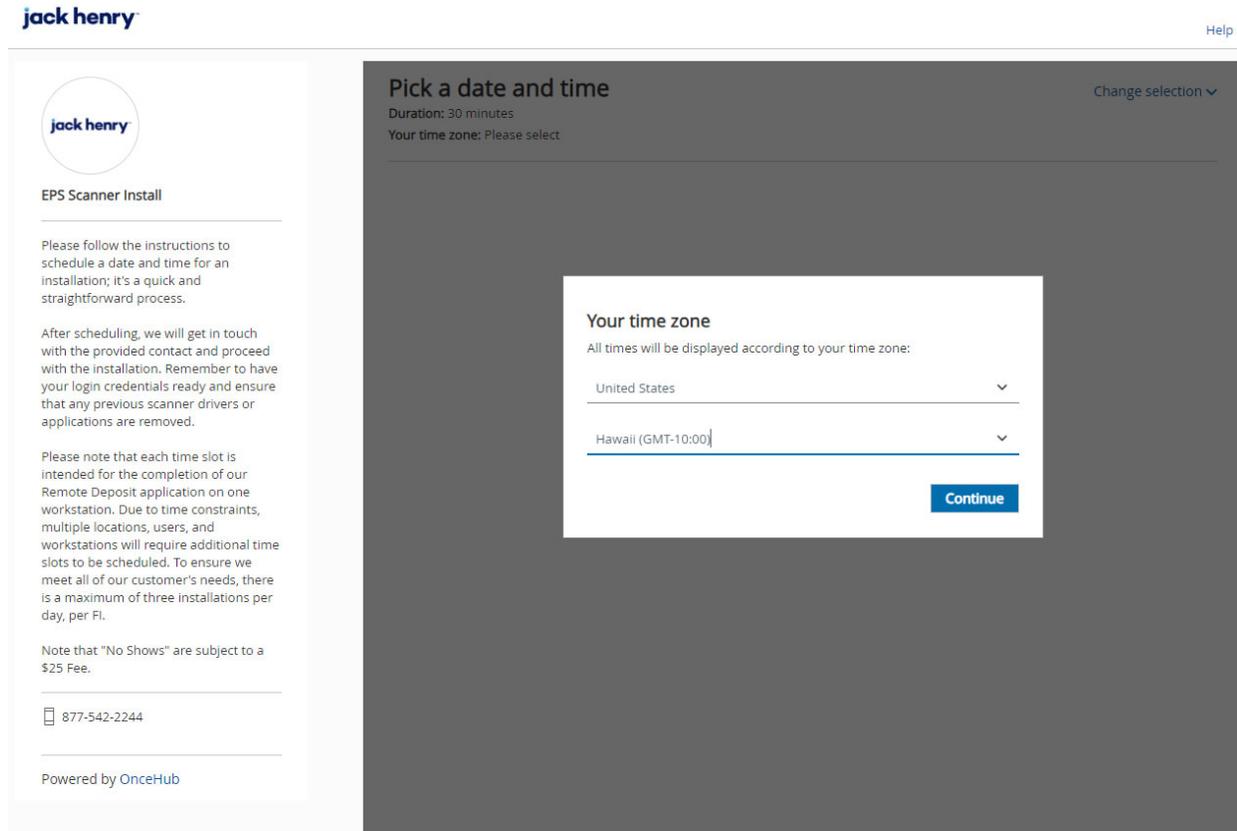

1. Before scheduling, please make sure you have been provided with the following pieces of information. Please ensure you are able to login with the provided credentials to ensure the scheduled installation will be effective.
  - a. SmartPay Business URL - <https://smartpay.profitstars.com/business/>
  - b. Your Company Admin username and password
  - c. Your Company Login ID (in the form of BOHXXXX where XXXX is a 4 digit number)
2. To begin scheduling an installation, please use the following link to access the scanner installation scheduling site.

## 3. Select your time zone.

**jack henry** Help

**EPS Scanner Install**

Please follow the instructions to schedule a date and time for an installation; it's a quick and straightforward process.

After scheduling, we will get in touch with the provided contact and proceed with the installation. Remember to have your login credentials ready and ensure that any previous scanner drivers or applications are removed.

Please note that each time slot is intended for the completion of our Remote Deposit application on one workstation. Due to time constraints, multiple locations, users, and workstations will require additional time slots to be scheduled. To ensure we meet all of our customer's needs, there is a maximum of three installations per day, per FI.

Note that "No Shows" are subject to a \$25 Fee.
